CONCILIO

Vini trentini dal 1860

Teroldego Rotaliano DOC

Concilio was founded in 1860 in Mori, a small village in Vallagarina in Trentino, close to Lake Garda. Its vineyards are situated in the hilly regions around the city of Trento and in Vallagarina. It recently moved to a new high tech winery in Volano, a small town in Vallagarina south of Trento.

Production Area: Grown on alluvial soils where the Noce river stream runs into the river Adige. Braide is the name of the small area where the grapes originate along a dried up stream bed, on gravelly soil..

Grape Variety: 100% Teroldego.

Vinification and Ageing: The grapes are harvested when very ripe with high sugar concentrations. After prolonged fermentation on the skins, the new wine is kept in stainless steel tanks and a part is subsequently matured in used barriques. In this way the wine becomes round and harmonious without departing too far from its traditional characteristics..

Tasting Notes: Deep ruby, lightly reminiscent of tasted hazelnut and liquorice on the nose, rich and well-structured on the palate, fruity with a hint of spice. Soft and elegant tannins. Long and persistent on the palate

Serving suggestions: Red Meat
